Th Dr Shamaya Dutt has reported that, in connection with the prevalence of plague in a virulent form in Nagpur Town ~~City~~ from Oct 1944 to end April 1945, arrangements were made to arrest the spread of the disease by anti plague inoculations - in the Town in particular

By the two medical officers & three Private practitioners were employed on this work

Q By whom inoculations as follows' —

1 Dr K R Kesavachar — 876 } first Doctors
2 Mrs Parvathamma — 564

3 Mr K Vasudevarao — 315, cases from Oct 1944 upto end April 45
4 Mr K Purshotam Rao — 460 do
5 Mr [illegible] — 807 do

(a) It was seen from the statement flagged Q that although the two Doctors undergoing service have performed an excellent work in the matter of ante-natal cases, they are not recommended for remission further months but only for 4 months for Nov 1944 up to end February 1945 after which it is expected they will be released. In the letter dated 25th August from the Director of Medical Services it was stated that the disease was an adverse one for ante-natal cases and recommended from starting March onwards. In the results of the medical dated 19th Aug, the payment of a uniform salary remuneration at the rate of Rs 1000 per month for two years per case of is recommended both for the Doctors on full service & the private medical practitioners

29) The D.C recommends the payment of remuneration at Rs 1500/- to each of the two Doctors on full service for 4 months from Nov 1944 to end of February 1945 after which they will be released, as it is in accordance with standing orders for similar proper purposes to payment of Rs 1500/- to each of them

30) In regard to the payment of a fee at the rate of Rs 1000/- each to the two private medical practitioners, the total amount comes up to Rs 3000/- (vide flag 2) This proposal is for orders

Sir

Subject - Sagar Town Municipality-payment of remuneration by- to Medical Probationer, Lady Sub Assistant Surgeon-Private Medical Practioners - Plague inoculations

In forwarding herewith the file of vernacular records, relating to the above subject, received from the President, Sagar Town Municipal Council, I have the honour to state that it is reported by him that due the prevelance of plague in a virulent form in Sagar Town from October 1944 to end of April 45, arrangements were made to arrest the spread of the disease by mass anti-plague inoculations in the several quarters of the Town simultaneously

The services of the Medical Probationer in charge of the Local Fund Hospital and of the Lady Assistant Surgeon in charge of the Maternity Hospital and of the several local private medical practioners is reported to have been availed of by the Municipality to secure immunity to as large a number of people as possible within a short time

As this work fell outside the scope of the normal duties of the several Officers and Doctors concerned, the question of payment of remuneration to them was taken up by the Municipal Council at its meeting held on 19-2-45 and 22-8-45, and it was resolved that they might be remunerated at Annas two for each inoculation under taken by them

The names of several Medical Officers who were deputed for plague inoculation duty and the No of inoculations performed by each of them are furnished in the statement enclosed

page 2

In view of the extra work involved, I request that sanction of Government may kindly be obtained for the payment of an extra remuneration of Rs 15/- per mensem to each of the Doctors, in Government service who were detained to this duty, in accordance with the rules and a fee of two annas per inoculation to each of the Private Practitioners detained for this duty

The entire expenditure of Rs 302-12-0 involved on this account will be met from the closing balance of the Municipality

Early orders of Government are solicited to the payment of the above amount to the Officers and Private Practitioners to the extents noted below for the periods they were on duty on this account

Sir,

Subject - Payment of remuneration to certain Medical Officers for work in performance of inoculations during 1944 - in Sarpur Town

---

With reference to our letter No L 9820 dated 17th January 47 on the above subject requesting to state as to why there has been a discrepancy in the figures shown in the statement and in the body of this office letter of even number dated 20th August 46 I have the honour to state as follows

The two Medical Officers in Government Civil Service Viz Dr P R Ramachandra Rao and Dr P Parthasarathy had in all performed 1476 and 619 inoculation cases (respectively) in Sarpur Town during the months from October 1944 to end of April 1945

The recommendation made by my predecessor in office was to the effect that the two medical Officers (under Government service) referred to should be paid remuneration at Rs 15/- each per cencem for the periods from November 1944 to end of February 1945 i.e. for a total period of four months only The total number of inoculation cases performed by each of the two Medical Officers viz by Dr P R Ramachandra Rao and Dr Parthasarathy was therefore 876 and 564 respectively as detailed below -

Name of Medical Officer	Inoculation cases performed during				Total No of cases
	Oct 44	Nov 44	Dec 44	Jan 45	Feb 45	
1 Dr P R Ramachandra Rao	66	277	374	159	876
2 Dr P Parthasarathy	355	-	99	110	564

I wrote to state in this connection that under the remarks column of the statement - note had been made to the effect that the Medical Officers in Government Service have to be paid remuneration at Rs 1/- per cencem for the periods from Oct 44 to February 1945

In view of the circumstances I request that
pieces of Government land may be obtained to the amount of
the undertaking at Rs 10/- per acre to the Political Officer
in Government Service for the period 1st April 1944 to 31st
March 1945 and to the payment of rent at two annas per acre
on application to each of the persons mentioned in the note
below for the particulars of land referred to in this
correspondence.
